March 27, 2012

Woodlake Hotel – Sacramento, California

SDRMA provides Property/Liability, Workers' Compensation, Health Benefits and risk management services to California public agencies. Two times a year, we host our Safety/Claims Education Day to provide free training and information regarding coverages, online training programs, technology updates and our many valuable MemberPlus Services™.

In addition, SDRMA members who attend the Education Day are eligible to earn credit incentive points (CIPs) to reduce their annual contribution amounts for both Property/Liability and Workers' Compensation programs.

The Education Day is free to all SDRMA and CSDA members except for the separate workshop for the CSDA Special District Leadership Academy – Governance Foundations.
